

A Little Folk Song

1.

**When I was young I walked out the door
I held my heart in my hand
I felt strong and I felt fine
I played in a rock'n'roll band**

Bridge

**Much to, much to strong to get old
Never afraid, totally out of my own.**

2.

**I met a girl she walked by my side
I didn't care about her
I looked to the left, looked to the right
It seemed I wasn't aware**

Bridge

**Hey hey hey I was the man
Hey hey hey a macho man**

3.

**I finally found my woman in love
We lived together as one
We had a child we had a house
Now all my trouble has gone**

Bridge

**Hey hey hey I am in love
Hey hey hey I am in love**

4.

**Now I'm old I walk out the door
I hold my heart in my hand
Still feel strong and I still feel fine
I'm playin' in a rock'n'roll band**

**Hey hey hey rock'n'roll man
Hey hey hey in a rock'n'roll band
Hey hey hey ooooh
Hey hey hey ooooh I'm in love
I love you
I'm in love**
