

## **Forever Rock**

### **1. Strophe**

**You pull me out you pull me in - Whatever  
I do it's a sin**

**I look for trouble in bull's eye - Straight to  
the top with any lie**

### **Bridge**

**How can I stand this pain? - I want to be up  
again**

**When I hear the battle cry - I raise my head  
and shout**

### **Chorus**

**Forever rock - Pull me out here**

**Forever rock - All nite long**

**Forever rock - Push to the limit**

**Forever rock - Just banging on**

### **2. Strophe**

**You get me right you get me wrong -**

**I don't see nothing can stop my song**

**Pick up my envy I do it right - Convert to  
monster every night**

### **Bridge**

**How can I stand this pain? - I want to be up  
again**

**When I hear the battle cry - I raise my head  
and shout**

## **Chorus**

**Forever rock - Pull me out here**

**Forever rock - All nite long**

**Forever rock - Push to the limit**

**Forever rock - Just banging on**
